

F&I TRAINING CLASS

2018 Class Dates

July 9th-12th • September 18th-21st • November 12th-15th

F&I Training School consists of a **4-day course** led by Ken Carlson, an AFIP certified instructor from F&I Resources, with an exam on day one to test the baseline knowledge of the students followed with a final exam on the last day to test retention. The exam consists of testing the skills & knowledge of the course material in the areas of state laws, proper documentation and CSI.

It is designed to give you the practical tools needed to see tangible results!

The seminar will be held at:

F&I Resources
